

Potential GWDEs

- Moderate
- High

- Key**
- Site boundary
 - Turbine location
 - Site boundary 2km buffer
 - Primary and auxiliary crane pads (refer to figure 3.4 for crane pad layout)
 - Blade laydown area
 - Control building and substation compound
 - Battery storage compound
 - Temporary construction compound
- Access Track**
- Onsite access tracks
 - Pencloe Forest access route
 - Watercourse
 - Waterbody
 - Ponds
 - Watercourses and associated WFD surface water bodies
- Conditions supporting conservation sites**
- C01 - Connel Burn / Benty Cowan LNCS
 - C02 - Glen Afton LNCS
 - C03 - Afton Uplands
 - C04 - Knockshinnoch Nature Reserve
- Minor infrastructure not shown due to scale
